

Rental

ARCH maintains:

- A list of apartment complexes located in East King County that have units with below-market rent levels and or HUD rental assistance. Information includes:
 - Rent levels
 - Income requirements for residents
 - Number of bedrooms in units
 - Addresses and contact information
- A mailing list of persons looking for below-market or Section 8 housing. When a housing opportunity arises, people on our mailing list are notified.

For the rental information list or to be put on the ARCH mailing list, go to the website: www.archhousing.org or call 425-861-3676

Highland Gardens: Below-market rental housing in the Issaquah-Sammamish area developed by St. Andrew's Housing Group

Ownership

Local government regulations have resulted in a number of market-rate developments including a portion of moderately-priced condominiums, townhouses and duplexes.

ARCH services:

- Provides information on ownership program (including a description of resale restrictions), and available homes.
- Notifies persons on the ARCH Ownership Mailing List of ownership opportunities.
- Administers the sale of affordable ownership homes including screening buyers for income eligibility.

To add your name to the ARCH ownership mailing list or to get more information about the ARCH ownership program, go to the ARCH website: www.archhousing.org or call 425-861-3676

Lakeview Park: Below-market ownership for families included in a portion of a market-rate development in Kirkland
