IMPROVEMENT CREDIT APPLICATION

Please complete this application along with documentation of deterioration and a current estimate of replacement item to homeownership@bellevewa.gov. Please submit one application for each improvement item.

Please make sure all boxes below are checked prior to submitting this application. If one or more boxes remain unchecked, that may indicate your improvement item does not meet the program criteria for price adjustment.

- I have not yet completed the improvement on my home.
- The cost of each improvement that I'm applying for exceeds 1% of the purchase price of my home.
- I will submit proof with this application, that the item I am replacing is non-operative or within 20% of its useful life.
- My improvement is on the list of eligible improvements.
Please explain: _____
- I understand that the approved value of improvements shall not cause the adjusted Formula Value to be unaffordable to subsequent eligible buyer households, as determined by the City of Desinee (Section 4.2.2).

Date: _____

Name of ARCH owner: _____

Description of improvement (please include the square footage of the replacement area if applicable and the age and the original material of the item being replaced).
